Hello Cornerstone family! Please join us in praying for those affected by the fires in California. We pray that they would be provided the resources needed. We also pray for those who are still dealing with the effects from hurricanes Helene & Milton as so many are still displaced. During the month of February, may our focus be to show others the true love of Christ. We also ask that you pray for our spring sharathon that is quickly approaching in March. "And he answered, "You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself." Luke 10:27 esv

Tune in to our 2025 Sharathon!

How then will they call on Him in whom they have not believed?
And how are they to believe in Him of whom they have never heard?
And how are they to hear without someone preaching? (Rom 10:14)

FEBRUARY 2025

2025
BY BILL POWELL

A statement I have made on occasion is, "Cornerstone Broadcasting is not about the money."

We are a not-for-profit ministry that focuses on reaching the lost for Christ and discipling the saved. Unlike a commercial enterprise, our funding comes from those who believe in our mission and choose to help support what we do. I followed up my statement in March when we had our sharathon by saying, "It is all about the money."

We have six different electric bills, maintenance, repairs, equipment replacement, postage, etc. Etc. Let me also say all of us who work here need to eat and be sheltered. No one is high-paid. We don't make thingamabobs, doohickeys, or whatchamacallits, which we can sell. The FCC won't let us sell advertising. That being said, we count on believers to see the value in what we do and ask you to make a contribution.

With that being said we are asking you to pray for our upcoming sharathon and consider contributing. The dates are March 12th, 13th, and 14th. Thankfully we have fellow believers who give at different times of the year. We have the sharathon to gauge how much we have to work with in the coming year. On a rare occasion, we are blessed with an estate gift or a donation of a valuable asset. We have day sponsors and business sponsors as well. Tune in on March 12th, 13th, and 14th or call with your gift or faith promise. These next couple of months we will work hard to make these 3 days memorable.

Let me finish by saying we need your help. Our last spring sharathon fell woefully short. Our goal is what we need. We made many adjustments this past year but with the Lord's help, we were able to make it through. I don't know how we could sustain another one like it. All donations are tax-deductible. If you would like to encourage others to give by

providing money we can use to match, it would be welcomed. Our theme this year is "Building up Believers" which we strive to do. Together we make a difference.

Ready To Throw In The Towel?

BY BRANDON SCHMIDT

Recently, I have noticed a growing trend among my brothers and sisters in Christ and that is spiritual burnout. More and more, I see fellow believers tired and struggling with feeling overwhelmed and just ready to call it quits and throw in the towel. It is so easy to feel this way and maybe that is where you are right now, overworked, underappreciated, and ready to give up. It's not that you do not love the Lord, but that you are just burned out and exhausted. May I suggest an encouraging word from the Lord?

In the Paul's letter to the Galatians we read, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." (Gal. 6:9) You see the apostle Paul understood spiritual burnout. He was constantly being beaten, persecuted, threatened, harassed and ridiculed for preaching the gospel. Yet, he focused not on the suffering but on the glory of God. He focused himself not on the difficulty of the path ahead of him, but on the finish line of heaven.

You see to the one who does not give up, God will grant eternal life. Our focus cannot be on the here and now, but on eternity with God. It is where we find our strength and our hope. I want to encourage you dear brother/sister, do not give up, but keep pursuing Christ. Find peace and rest for your souls in the Scriptures as you commune with God. He promises to strengthen us as we worship Him and trust Him more and more. Finally, if you ever need prayer, please let us know, we would be happy to pray with you and provide counsel where we can. Do not give up, but keep pursuing Christ and enjoy the myriad of blessings that are ours, those in Christ Jesus.

Our Sharathon 2025, "Building Up Believers," is happening March 12 th – 14 th . I want to encourage you to tune in and support the Cornerstone as the Lord would lead you. We are excited to see what God is going to this year. Please, keep us in prayer as we seek to continue the work of Building Up Believers!!

Love

BY LUCAS WILLIAMS

It's the time of year when the world think about love. We hear messages from advertisers, department stores, and Hollywood about the nature and meaning of love, especially now, with Valentine's Day just weeks away.

What does Jesus have to say about love? We hear so many voices around us, but it is only His that truly matters. "This is my commandment," said our Lord, "that you love one another, just as I have loved you." In truth the whole of the gospel is about love. It is about a loving God who chose to love sinners like us. It is about the Holy Spirit changing us to love Him in return. And it is about sharing that love with those around us.

Won't please consider partnering with us during our upcoming Sharathon so that we can continue our work of sharing Christ's love with those in this area?

Sharathon Is Coming To Town

BY DENISHA STEARNS

(Chorus 1) OH...Bill's making his list.
He's checking it twice.
With goals to match our mission
And share more of Jesus Christ
Sharathon is coming to town.

(Bridge 1) With Christ as the foundation
And building on the truth,
With faith topped by salvation
Pretty soon we'll reach the roof!

(Chorus 2) OH... March 12th, 13th, and 14th
Volunteers will take your call.
We're listener-supported
So this means we need you ALL!
Sharathon is coming to town!

(Bridge 2) With Christy's awesome graphics
And Lucas at the soundboard,
You'll hear Brandon, Bobby, Bill and others
As they laugh, chat, and share God's Word.

(Chorus 3) OH... we have the ministries
The businesses too,
Though many help our budget
Who we also need is YOU!
Sharathon is coming to town!
