MARCH 2025

Why The Cornerstone?

BY BILL POWELL

I want to make a feeble attempt to describe why this radio ministry is so important to our community. As Christians we are to grow in grace and knowledge. **(2Pe 3:18 ESV) But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and to the day of eternity. Amen.** As Christians, this is not a suggestion but a mandate.

Our theme this year is building up the body of Christ. Our verse is, **(Eph 4:12) to equip the saints for the work of ministry, for building up the body of Christ.** This in part is accomplished through what we take in and what we put out. Our goal here is to help you put in the things that will help you grow in grace and knowledge and aid in the building up of the body of Christ.

As Christians, attending church is vital, but is that all you have to do is go to church and listen to the sermons on Sunday morning? I think everyone will agree it takes much more than that. I know I am speaking to the choir, but what about the overwhelming number of people who don't go to church? What about those who don't attend a Bible-believing, scripture-teaching church?

We would like to be there for all of the above. Let me give some of the many reasons everyone needs to have the Cornerstone be **"part of your mix and part of your life."** Where can you learn for free from Godly family experts that help you have a Godly marriage, and raise Godly children? You can listen to Family Talk, Family Life Today, Focus on the Family, and Intentional Living. They will help you be a Christian family. We have programs like Point of View, Janet Parshall, and Albert Mohler. You will hear current events and news from a Christian worldview. They will help you see the world through Christian eyes. We herald the pro-life cause and issues.

Where can you hear from the most authoritative proven Christian teachers that are fully vetted from the current and the past, Alistair Begg, Adrian Rogers, Chuck Swindoll, James Dobson, John MacArthur, Erwin Lutzer, and many more. They will fill your mind with the things of God as taught in the Bible. Where can you go if you don't know if there is a God or don't believe there is a God, and what about evolution? We have programs like Science, Scripture and Salvation, Back to Genesis, Creation Moments, and God's Great Outdoors.

Let's not leave out the children's programming. For the little ones Paws 'n' Tales, Kids Corner, and Down Gilead Lane. For kids of all ages including adults- Adventures in Odyssey. If you like the theater of the mind for all ages, we have Lamplighter Theatre.

We have the best Christian music for all ages throughout the week and weekends. The top charted inspirational music and on Saturday nights the best Christian music the teens will like, *180 Saturday Nights* with Lucas. For those who like choirs, traditional hymns, breath-taking singing and a message that speaks to your heart catch our Sacred Music weekends on 1450 AM and 96.9 FM.

Do you not have a church? Why not try our several local churches on Sunday morning. I can't leave out our business sponsors, daily Bible verses, Bible reading from Max McClean, and believe me much more. You can watch our TV channel on Roku, Amazon Fire, and Apple TV. We are a voice crying in the wilderness and a bright lighthouse for Volusia, Flagler, and around the world on the World Wide Web and TV. May I mention we are local and the oldest Christian radio stations in east central Florida? Last but not least when you give to this ministry the money goes to perpetuating the gospel of Jesus Christ. It is the ministry of those who love the Lord and desire to reach the Lost for Jesus Christ. Together we must keep this work of the Lord strong in our community.

Building Up Believers

BY BRANDON SCHMIDT

As Christians we are called to evangelize and disciple people in the Word of God. That is a mandate from the Lord Himself. The Word of God records the words of our Savior saying, **“And Jesus came and said to them, “All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age” Matt. 28:18-20.** The Lord commanded His followers to go into all the world and to spread the message of the gospel and to make disciples. We are called to also instruct and teach them everything that the Lord commanded, which includes the whole Word of God. This is the message that The Cornerstone was founded upon so many years ago and the same message we are still committed to following to this very day.

We are gearing up for our Spring Sharathon and our theme is “Building Up Believers!” During this Sharathon, will you pray for us to be successful, so that we can continue our mission of reaching the lost and discipling the saved? Will you pray about what God may be calling you to do during this fundraiser? The phone lines and text lines will be open, so please consider donating or pledging to keep this ministry thriving for years to come. Help us complete the work God has for us, in Building Up Believers! in the Word of Truth. And remember the promise of our Lord, when we are committed to His Great Commission, He is with us always, even until the end of the age!” What a calling and what a promise!! So, will you answer the call of our Lord?

Sharing Christ Together

BY LUCAS WILLIAMS

One of my favorite things about my job is the privilege of hosting 180 Saturday Nights every week. I love getting to share God’s love and message with students in our community through Christ-centered, quality music! As somebody who loves music, the opportunity to play the latest songs – all about Jesus – is almost too good to be true!

180 Saturday Nights exists to reach students with the gospel of Jesus Christ. Our tagline is “Turning away from the world and towards Jesus,” and this is what we want to see happen in students’ lives – a radical transformation, the realization that life is not about us but about Him. The turning around – 180 degrees – from a way of life that centers on the here-and-now to a way of life that’s all about the Lord. And we want to have a good time doing it! The songs that we play on 180 are intentionally selected for us younger people – fun, catchy, resonate, and emotionally engaging. And, of course, they all share a central, uplifting message: reminding us of Christ and His love for us.

Our Spring Sharathon is coming up soon here at the Cornerstone, March 12th – 14th. Your financial support is vital to us, as we are a listener-supported ministry. Would you consider joining with us in our mission of Building Up Believers? With your support, 180 Saturday Nights can continue its mission of reaching students in our community with the gospel of Jesus!

Valuable People, Valuable Endeavors

BY DENISHA STEARNS

Have you ever noticed these differences in people? If you start to discuss an historical event, the “who” people are focused on who was involved. Other people are “what” people, focusing on what happened. I am a “why” person. My husband is a “how” person, which is precisely how last week as I was burning dinner, Hubby pulled me into the show he was watching called How It’s Made. The focus of that episode? Glorious ice cream! It was filmed in the Dreyer’s factory in Bakersville, California. Hypnotized by the steel paddles turning the creamy milk, white-robed workers dumping bags of liquid flavorings into colossal metal vats, I muttered like a broken record, “Wow! Wow! Wow!”

Even more fascinating than the mechanics of ice cream making was the “who” of the show- the Dreyer’s taste-tester. Looking quite official in his lab coat and bow tie, this royal taste-tester made sure the ice cream batch represented the standards (and flavor) of the company. And his tongue? It is insured for a million dollars. What an asset! What a job!

Speaking of valuable assets... how about The Cornerstone? What we strive to share with the world- the King of Kings- is of very high value to us, and we want to represent Him well through what we broadcast on our stations, what resources we give away, and what help we give to the community. Thank YOU for recognizing the value of The Cornerstone! Moreover, if you want to know the “how” of our radio, tv, and other things we do through The Cornerstone, please tune in during our Sharathon. We will be sharing much! And all our “when” and “where” people? We value you greatly too! You make our body of Christ complete. Blessings!

Answering The Call

BY CHRISTINA HUTCHINSON

March 12-14 marks our annual **Cornerstone Sharathon**, and after nine years of being part of these incredible moments, I can tell you firsthand—God moves in powerful ways during this time. Every year, I’ve watched Him provide, encourage, and transform lives through the generosity and faithfulness of our listeners. This year, our theme is built on **Ephesians 4:12 (ESV):** “to equip the saints for the work of ministry, for building up the body of Christ.” And that’s exactly what we’re doing—**equipping, encouraging, and lifting up those who tune in, while reaching for even more hearts that need to hear the hope and truth found in Christ.**

The truth is, this ministry is worth every ounce of support—because it’s about more than just keeping the station running. It’s about the lives that are changed,

the hearts that are healed, and the faith that is strengthened through the messages and music heard each day. I’ve seen it time and time again: a song playing at the perfect moment, a word of encouragement speaking directly to someone’s situation, a prayer lifted up that meets a desperate need. **And God works through you to make all of this happen.** Every dollar given, every prayer offered, every effort made—these aren’t just numbers or actions. They are part of something eternal.

You’ve been called. You’ve been sent. **Now it’s time to respond.** Whether it’s through your giving, your prayers, or simply sharing this ministry with others, you have a role in what God is doing through The Cornerstone. As Sharathon approaches, I invite you to step into this moment with us. Let’s build up the body of Christ together and keep this ministry thriving for all who need it. We can’t wait to see how God moves—through you.
